## The family requests that donations today should benefit the work of Tools with a Mission

If you would like to do this please fill in the donation form and return it to us using the FREEPOST address overleaf.

Tools with a Mission (TWAM) collects and refurbishes tools to send to charities and missions across Africa. Tools are sorted into trade kits such as Mechanics, Carpenters, Builders, Plumbers and given free of charge. Kits are given to trainees graduating from vocational training courses or completing their education. Many simply go to people in need of support to rebuild their lives. TWAM sends out around twenty four containers a year containing over 250 tonnes of tools, sewing and knitting machines, computers and school books. Your support will help us to continue our life transforming work of supporting small local charities across Africa who would otherwise have no means to access life changing tools.
